A New Way to Think About a Pharmacy

At Lenox Village Integrative Pharmacy (LVIP), customers have a choice - traditional and compounded medications, homeopathic remedies, Chinese herbs, essential oils, pharmaceutical grade vitamins, minerals and supplements - for the best possible treatment, prevention and/or wellness regime.

In the **compounding pharmacy**, certified by PCCA (Professional Compounding Centers of America), medications are custom made, one order at a time, by LVIP Pharmacists and technicians, in the state-of-the-art clean room.

Nutritional supplements are a specialty at LVIP. With over 65 brands of pharmaceutical grade vitamins, minerals and supplements, this grade of prod-

uct is made with the highest quality ingredients, under the strictest manufacturing control standards. Available for customer reference are independent reports documenting the purity and quality of product raw ingredients.

To help customers manage their wellness and/or treatment regime, LVIP developed **Healthy Living Pre-Paks**. These individual packets of medications and/or supplements are created using specialized, state-of-the-art computerized packaging equipment. The process is overseen by LVIP's pharmacy staff, from reviewing the prescription, programming, loading and performing post-production audits.

LVIP is an **Institutional Fulfillment Pharmacy**,

providing full off-site pharmacy services for private schools, residential treatment programs, independent, assisted living and long term care facilities, and other businesses who distribute medication to many individuals,

A destination for **surprisingly fun shopping**, LVIP carries all-natural, organic products that extend the concept of LVIP's healthy living approach to wellness through to their personal care, pet care and homekeeping product offerings, and an ever evolving collection of jewelry, hats, handbags and other gift items.

Local delivery is available throughout Berkshire County and the pharmacy ships daily, including refrigerated items, to locations all over the world.
